FOR IMMEDIATE RELEASE

GRAMINEX L.L.C. RECEIVES E-AWARD FROM STATE OF OHIO.

SAGINAW, MICHIGAN. July 24, 2007 - Graminex L.L.C., the producer of Graminex™ Flower Pollen Extract receives the Governor's Excellence in Exporting Award (E-Award) from the State of Ohio.

This award is presented to Ohio based companies and organizations of all sizes that have increased the number of export-related jobs in Ohio or helped Ohio companies achieve success internationally.

Over the past ten years Graminex LLC has established itself as a leader in the international dietary supplement industry. Located in Deshler, Ohio, the Graminex facility and warehouse manages more than 5,000 acres of farmland in Northwest Ohio, on which organic active ingredients for dietary supplement and pharmaceutical industries are grown and harvested. Graminex supplies bulk ingredients and finished goods to the pharmaceutical and nutraceutical industries and markets its own line of dietary supplements, mainly focusing in the area of prostate care, antioxidant and immunological support. The sales strategy for the company is global in scope. Partnered with its distributors, Graminex products are sold in more than 44 countries on six continents.

The award was presented to Graminex L.L.C. CEO Cynthia R. May at a ceremony in the Ohio Statehouse on July 18, 2007. "Graminex L.L.C. is very honored and privileged to receive this award from Governor Strickland, of Ohio" stated Cynthia R. May. "We look forward to continued growth in both the domestic and international markets. Graminex's mission is to deliver the highest quality nutraceutical and pharmaceutical products along with world-class service and support for our distributors and partners."
